

DGK Community Service Project

The DGK Community Service Project is to engage our students in the responsible action for the short and long term wellness of our community here at Holy Cross and beyond. The goal of this project is to inspire leadership from our students to create a better environment to the people of our community. The 6th Grade will be responsible for completing 6 hours, the 7th grade will be responsible for completing 9 hours and the seniors will be responsible for completing 12 hours of Community Service. These services will count towards the student’s ultimate goal of graduating DGK’s Middle School. Mrs. McCarthy, Middle School Advisor, will be approving services before student hours are completed.

Student Name: _____

Grade: _____ **Date:** _____ **Email Address:** _____
